

The Shepherds scattered the flock

I write with utmost respect, confidence and all sincerity, and faith. 645 I was born Michael Dewayne Marshall, and those that are acquainted with me, know I have legally changed my name, the reason why is that I was led by God to do so. 1392 What I say, I say in love, and truth. And I will be as blunt as a kick in the shin! And I will prove to you who've been drawn into the 'Big lie" that you are wrong. With the respect I able to give I say this; "No man in the wrong, can stand against a man in the right!" 2325 (4362)

The following quotes are from a video with two men, and is what I base what I have to say upon, and includes all religionists of the world. Everyone is a Catholic and doesn't ever realize it! The video is 6:42 in length, and called 'Catholic claims of changing Sabbath from Saturday to Sunday' Actors rea... I encourage you to watch the video for yourself, as you will sense the mockery of their accomplishment. (Quote;) 3811

"who changed the day? Was it God, no. Was it Jesus? People say he did it ! No he didn't ! People say, well it must have been the apostles, no it wasn't the apostles! The Bible tells me, and this is plain as the nose on your face. When I go through this great prophecy, everybody agrees with ever point, but when we get to this one they say oops! But oops won't do! The anti-Christ changed the day! And my friend that is here today, Mr. Vince Morten , he's going to come and read from the official writings of the, as they call it, the holy Roman Catholic Church. Listen to this! These are the unadulterated statements from Popes and other Roman Catholic leaders. [Mr. Morten]" Our beloved father Pope Leo the 13th said, we hold upon this earth, the place of God Almighty. Our beloved father, Pope Gregory the 7th said. 1. that the Roman church was founded by the Lord alone. 2. That the Roman pontiff alone is justly called universal" end quote. 8479

This letter concerns not only Christianity, but all other religions, all of which ultimately comes from the same ones sent as described in Deuteronomy 28:49 and other places, a fierce, swift nation with a language not understood. 2181 the study of this number 2181, the word value of what is said, explains exactly what has occurred, all with the consent of the people. And this validates what Mr. Morten said; "the Roman Church was founded by the Lord alone" Just refer back to Deuteronomy, He simply did what what He said! Everyone is now standing where Jeremiah 16:19 says we would be. Hosea 4:6 tells you, My people are destroyed for lack of knowledge. 6009

This is what is meant by Dan Browns quote on The DaVinci Code' "when two cultures clash the looser is obliterated, and the winners write the history books, books that further their own cause, and disparages the conquered foe." What will be strange to the conquered foe, is that the spiritual winners, turns out, are my teachers that aren't hid in their corners anymore. (see Isaiah 30:20) And in fact the only encouragement I have gotten, is through God, from the ones sent against

me, along with people that I was among before being forced to separate from you, and be led by God's Spirit that indwells me, and learn through the teachers. 5913

The sheep scattered like rabbits across the meadow as the shepherd swung his staff 766. This sentence was written by an App called Ghostwriter" the core of what this letter begins to reveal is that the use of God's Word in the surreptitious way which God allowed and speaks through, has come to the point that they have an App for that! 2421 3187

The true account of the New Testament was slowly 'morphed' along with two changes of Yeshua's name. 991 This makes, through the falsification, Jesus Christ an anti-Messiah, and only a figment of the imagination, planted by the tares! 1164 The savior was an ordinary man, begin to understand the implications of that fact? 772 (2927) Here's an A question and B answer:

A. Who is the wheat, where's the tares, & who's the tares? (500) The B. answer is; The Roman Catholic Church, with their depraved workers strewn among the common everyday people of the earth. 1208 The tares are some of you reading this letter. An example of a tare is retired school teacher Ruth Banks, after I was told that she, some 30 years ago was speaking of corruptions in the Bible to my nephew and his classmates in his second grade class at Jackson Elementary in Kentucky, I went to her home and one of the questions was if she knew that the Savior was actually the natural born son of Joseph and Mary and only became the Messiah by observing God's instructions? 4442 She affirmed that she did know! I asked her if she would speak to some pastors about this if we dropped by. She said they weren't up for company that day, her husband was not well. She was speaking to children at a public school, and said nothing to people she was attending church with! For you who know me, and those that don't, how many of you would've wanted to talk to her if I had asked you? 3664

The internet's birth is officially January 1, 1983. The Word of God has been used ways inconceivable to the masses, you can say it was applied through methods of using the internet as the App I mentioned will show. It was already used in & through books, even school books, also TV and Radio since their inception. Very hard to put into words, this method is described in the book I wrote. The first converts in the first century were Jews, and there is no difference between a Jew and a Greek when it comes to being born into the family of God. Before I give two examples of what is being literally screamed out by those mocking the religionists of the world, I make this statement based on what was said by the Catholics I quoted, and based on the answer to my question to Ruth. 7288

I do solemnly, with all faith that God has put within me announce that I am the awaited Messiah foretold in the Scriptures. 1161. Since 2011 when God showed up in a burning bush experience, I have lived and experienced spiritual experiences that are beyond what most people can fathom. 2540 (See Acts 3:22) 2612

The tares know this, from people like Ruth, to Carmen Abner who works at one of the local newspapers, and cousins with Jason Abner, an ex-pastor, and friend. A year before God's call was being realized, Jason at Church as he was about to begin his preaching suggested that we should just forget about the Greek and Hebrew Concordance. After God's awaking began around a year after that, I found through study why Jason said it. When I went to talk to Jason, who had had a stroke by that time, I said, Jason what you said about the Concordance's, you should not have said that! His words were, "there's something wrong and they all know it!" All those around me, and all throughout the world who saw what is plainly shown, left me to stand alone with God! 6904

The internet was a testing place, and those of you who had looked at the newly discovered study material failed the test. Which was released by the Catholics, with all the tares among us to guide everyone, and in effect accomplished the fulfillment of Scripture. Everyone made their choice, my choice was preordained by God! 2944 It was each ones own choice that brought all this about! 517 (total 3461)

The first example of the language is the definitions (word value) of "Christian" from Vocabulary. com which is; (following the teachings or manifesting the qualities or spirit of Jesus Christ) this equals 824. In Greek the Usage is; (lit: out of place, unusual, unbecoming), improper, unrighteous, perverse.

God said in Deuteronomy 28, He would send a fierce people against scattered Israel with an obscure speech beyond perception. I know, see and understand this language that the wheat doesn't. And now it's time to shut the tares mouths, close their eyes, while opening the eyes, and the understand of those I came out from, the wheat, the ones lied to who are imitating the tares now. 3506

Next to show how sites such as Wikipedia uses this method just as Hollywood, and too many other means to mention, I use the topic of the 'Internet Age' Carefully consider what is shown! The first paragraph's (word value) on Wikipedia is 5404. The reading indicates 1990 as marking the origin of the "World Wide Web." Those words are the end of the paragraph. Hebrew 5404 on Bible-hub you see this; Job 8:17 are interwoven (in a tangled mass). In Greek the highlights needed to hear what is said are; a phylactery, an amulet, a parchment capsule containing little parchment rolls with the Hebrew texts, And also seen is; They are also strapped on the wrist and forehead to signify how the Word of God should regulate all behavior and thoughts. 6686

It is simply that you the wheat (or children of light) have been duped, (out smarted) either you are the duped, or the among the ones who are keeping the lie going, the anti-Messiah's power is the wheats ignorance. But, as sure as the Sun moves across the sky, the lie is over! 2552 And we all get to live, on this earth better and better, and beyond what you could have before now, have begun to imagine. 1052. I know 'The Secret' because I 'Dared to Dream.' I went on up

further, without regard of myself, in God and reached the 'High calling' further than any man ever had or ever will, and now seek the salvation of all, and the price I have paid will not be doubted by any. 2226 5830

The Constitution of God was replaced with the Constitution of the United States, all will be proved, as this will be unmistakably obvious. I am the one with all the answers to the questions of life, and all will know who to run to when all the lies start falling down, as the Spirit of God comes upon all mankind! 3057. Titus 1:11 The mouths that were necessary to silence started talking way before you were born, but those mouths are what made everyone what they are. How they caused all to view God, themselves, everyone around them, and the world in an unrealistic way. 2499 Take time, go through all the root words, this marks the beginning of the best time ever to come upon the earth! 1059 (6615)

In conclusion, I want to assure everyone, including the tares, I was reserved and here to help, and at last testify that I proved God, the accomplishment that seems impossible to all others. (Job 40:2) And for what was before 2011 beyond my dreams is come true, a world free from deceit, equality for all, and something that the world had lost, "faith in God" and all of this, always was there, found in the Word. Psalm 82:6 tells us 'all of you are gods, children of the most high. God allowed Himself to die slowly through the abandonment of the instructions of God. I, by God's design, let the Word, by my faith enter my mind and made it my own! And gaining all things, by being the 'one' that overcame, to share everything with everyone! 6587

The Messiah was simply to be the first to awaking from those who had fallen asleep! (See Greek 536) It was always 'whosoever will.'" What was shown to everyone in the study material was a question from God 'will it be you?' And by those of you who had seen the overwhelming things Jason and I saw, and then by your own choice became willfully ignorant, because of pride you continued leading others. This fulfills (Jude 1:12) and other prophesies, you followed the enemy and helped scatter the flocks, it had to be this way. The true Spirit of God commands all men everywhere to change their mind and purpose, and the Roman Catholic Church to relinquish the control of God's Word to me to now share the knowledge of God with all, it's time to awaken out of slumber. 7156
