

Wretched Mortals

Prologue

Blinding ignorance does mislead us. O! Wretched mortals, open your eyes!
Leonardo da Vinci

Leonardo da Vinci (is) speaking to the ignorant Israelites, he (was) speaking to me as well. 802 How to explain something so indescribable? See if you can forget everything you've learned, is that a possibility? Try to go back to when you were a child and have the imagination you had back then. If your childhood experiences for some reason prevented you from having a wholesome and healthy imagination, try your best to release all the clutter and just let yourself relax and enjoy this allegorical story. 4782

Chapter 1

What the High Calling of God was! 265

I press on toward the goal for the prize of the upward calling of God in Christ Jesus. This is the words given on biblehub.com for Philippians 3:14, its word value is 826. So many verses are formulated on biblehub, but the formulating of scriptures is by no means limited to this site. I won't get into that, but now let us imagine. Let me simply mention different topics to see if I can give you something to base my story on and jumpstart the imaginative power that your mind is capable of. 4740

Friedrich Nietzsche, and his God is dead statement. Hamlet, and his father's ghost asking Hamlet to avenge his murder, and it was because he found Hamlet apt for the task. Bruce Greenwood aka Christopher Pike & Chris Pine aka James T Kirk, Star Trek Into the Darkness" when each of them died first Admiral Pike while Spock was with him, if observe him he passes at approximately at 28:18, and Admiral Kirk did at 1:51:10 into the movie. Also I will mention Jordan B Peterson, and Astrophysicist Neil Tyson. 4396

If you will, imagine that in the beginning God was and is the Word. And now imagine that when Friedrich Nietzsche said God is Dead that this could happen if God's Word were to be brought into disuse by misuse. Can you imagine that through this it has already occurred? 2424

Now imagine that by what is known today as the Catholic Church, they had slowly developed a change in what actually happened in the time of the Messiah. This is described in the Greek word 3554 *muthos* a myth; or a false account, yet posing to be the truth; a fabrication (fable) which subverts (replaces) what is actually true." And the result is described in the Greek word 288 *ampelos* 'Vine' referring to the Messiah,' and also used symbolically of Christless Judaism and apostate Christianity (Rev 14:18,10), i.e. the (external) religious body of people which merely pretends to bear fruit but is in fact fruitless. **5514**

Christ-less Judaism and apostate Christianity? This explained in the simplest terms is that ordinary born Messiah Yehoshua (meaning Yahweh is Salvation) was slowly replaced by the virgin-born Iesous, who became Jesus in the year 1629,

which all of those in Christianity who put their trust in, exists only in the imagination.

3249

There had to be the complete departure, or better know as 'the great falling away,' it was inevitable and necessary to fulfill Scripture. **1263** My words are true, I have no reason to lie, and invite any and all to scrutinize my testimony as they see fit and see if they can prove me wrong. **1403** Think! If the Savior who walked the earth 2000 years ago was a mortal man, it would stay in line with nature, and plain logic to believe that the final one would also be. 1493 (**4159**) Neil Tyson asked for, and Neil Tyson shall receive! 483

Chapter 2

Faith and Reason Reconciled! 223

It did happen, through the abuse and misuse, the Word of (God) did die! I can tell you when it was complete. See the "About Me" tabs on my website yahwehourrighteousness.com for my account of the day I call "My Candle Day." One thing I talk briefly about is when I had cast my eyes upwards and sorrowfully expressed to Him that I didn't have the desire to seek Him anymore. The only thing I could find within me was that I asked Him 'would you please help me want to seek you again?' That still is affirmation to me that God had died. Because as hard as I have wanted God all my life, to me, for me to say I didn't want Him anymore, meant I died with Him, that's when God's death was complete. 6119.

Neil deGrasse Tyson in a video with Moyer's and Company, where he's asked by Moyer referring to religious people; "do you at least give them an 'A' for trying to reconcile 'faith and reason'?" He says: "I don't think they're reconcilable, let me say that differently, all efforts that have been invested by brilliant people of the past have failed at that exercise, they just fail.'

I can say that in Neil's mind one of the most brilliant people who tried that exercise and failed is Neil himself! Neil and the other few I mentioned are among today's brilliant people along with a host of others that started that exercise and failed! I see two kinds of those people, for example someone like Prince Harry was born into the group, and Neil most likely wasn't. If that is the case with Neil, he would have had to judge God's Word, this happens through study, not reading, study! And just as it was with me, he who finds God is asked an unavoidable question that requires an answer. One can ignore giving an answer, but ignoring it is a negative answer in itself.

Consider the upcoming question based on what Isaiah 6:8 says. *And I heard the voice of the Lord saying, Whom shall I send, and who will go for Us, and I said here am I send me.* Can you imagine that the question that has been asked of each and every one of the brilliant people of the past was this one in Isaiah? The blood of Yeshua covered the sins of the world, but as far as releasing anyone from all obligation to God was not the case! That is part of what's called 'The Big Lie,' in Ecclesiastes we're told to fear God and keep His commandments, for this is the whole duty of man! The modern world has been led to abandon their duty, and thus leaving it up to the 'One' that when asked the same question as all of the other

brilliant people said 'Here I Am Send Me!' So, all other brilliant people who were asked the question said, "I would do anything for love, but I won't do that!"

Chapter 3

When God Died it's 'Into The Darkness'

I named James T Kirk and Christopher Pike who starred in Star Trek 'Into The Darkness'. Both of them die in this sequel of the prior Star Trek movie. Pike dies when Spock is there with him, he passes at approximately 28:18. James dies with Spock outside the irradiated area which James is laying at approximately 1:51:10 into the movie. We now have these to numbers 2818 and 5110 to look at.

First the Greek word 2818 is from 2819 /kléros, meaning "lot" and nemō, meaning "to distribute, allot") the combined meaning is "An Heir; or Someone who inherits. The Greek 5110 through its root words in context means, "To Bring Forth, or Beget." When James Kirk is brought back to life, after a bit of dark screen after Spock gives Kahn an uppercut, and as Kirk wakes up, there are some voices, the last words said as Kirk awakens are those spoke by Pike at the beginning of the movie, 'I dare you to do better,' at 1:59:32. Hebrew 5932 is a one occurrence word used in Hosea 10:9 it's from the root word 5766 they mean 'iniquity, perverseness, wickedness, etc. Read Hosea 10:9 to find clarity of what is said concerning Israel.

Imagine that this movie, along with countless others are formulated by the same people who had said 'I will do the leading every one into oblivion for love, but "I won't do that" because it's good, but it's seemingly impossible stuff!' 2202. For some what I just said may bring Meatloaf's song 'I'd Do Anything For Love' (But I Won't Do That) to mind?

Chapter 4

The Greatness God Afforded Me is found in Scripture 484

I have told my daddy I love, that I was the Messiah, and that I could teach in the Law, the prophets, and all scripture things concerning Myself! 1286 And he thinks I crazy! 195 He told me one day I when I was talking to him about these things, and said I was taking this too far! 886 I had been expecting this for some time, but wasn't expecting it from him. 679 (3046)

I want this to be clear, very clear, I don't blame him, and it's only these treacherous things God had allowed that could have ever caused my dad to cheated out of the faith I've always witnessed in him. 1762 Only someone in their right mind could believe that I am the Messiah, but with the masses fooled and effected as they are by what the foolish tares do, no one can say they're in their right mind, most just don't know this. 2054 (3816)

How many do the evil, and how many see the evil and can't or won't do anything about it will all be revealed, for there is nothing hidden that won't be brought to light. 1518 The number of people that are completely in the dark about world affairs, far outnumber the other two groups just categorized. 1266 And all

that's needed for the majority to win back what was already theirs, is follow my lead to victory! 988 The children of light were tricked into forfeiting their rightful identity in God. 787 Although it was by their own choice, and having everyone under the wrong impression about God because of the lies was still the cause, but it was necessary to fulfill scripture. 1747 (6306)

When I say My Greatness is found in Scripture, this isn't the only way I can show this, I can in other media, but still it encompasses Scripture and reveals the foreknowledge of God. 1775 The things I will show will convince everyone that I am who I say I am, maybe not immediately for the sleeping right, but will in the already determined point in time. 1579 (3354)

Chapter 5

In The End It's All About You 272

I will add here, that if you the reader will go to biblehub.com and check the Greek and Hebrew words 272 the value of the familiar words from Planet Fitness, you probably won't be able to miss what this quote truly is saying. 2050 I called the Baptist Tabernacle in Carlisle Ohio where I got baptized when eleven years old to get the correct date of my baptism. 1152 Since 2012, I have discovered that most if not every number associated with my life confirms my position appointed by God. 1158

The date and time of my birth was; June 27, 1964, the date of my first baptism was February 22, 1976, looking at these two dates on "On This Day. com" will show the foreknowledge of God. 1535. First 06/27/1964, the top thing shown for this date on the website is this, "'Sie Liebt Dich (She Loves You)" by Die Beatles peaks at #97' this clause value is 453. This is 'He is my God,' in Hebrew. Next 02/22/1976 the following is the top birthday, 'Faan Rautenbach, South African rugby player, born in Bethlehem, South Africa,' this equals 671. In Greek 671 a primary meaning is, '(bring destruction) by abuse.' In Hebrew it's 'Official,' with a Strong's number of 1586. In Greek 1586 means 'I pick out for Myself' a highly deliberate choice (i.e. real heart-preference) with a definite outcome (as with the destination of divine selection for salvation.' The Hebrew 1586 is Gomer,' from 1584 which means 'Come to an end, and a Completion."

Chapter 6

Facebook post

The following is a post I wrote for Facebook Monday March 18ish 2024.

If there's anybody out there, I have an opinion that I sent to the Jackson County Sun Newspaper. It will be in this weeks edition Wednesday 20, 2024. I would like you who are able to read it. Everyone has an opinion, and everyone has a right to make their opinion heard! Some who know me may say 'I don't want your opinion!' If you say that you shouldn't believe the opinion you have should be heard either. But, truth be told you give an opinion to someone every day. Question: Since

everyone has an opinion, is it of your opinion that everyone should now speak truth each one to their neighbor? If that's your opinion I think it's a good one and in agreement with God. If you don't, well that's a bad opinion, in my opinion! Hear my opinion, if you don't now I won't stop until you do! **7580** Amos 3:8 Love!

With many of my writings nowadays I formulate what I write, but what happens a big portion of the time concerning this is that I simply check the value of what I have just written as in this case with my Facebook post above. 2207. This is another indescribable part of the living Word of God alive in me! (**2854**)

The post I wrote as you can see equals 7580, here is what is said through the language I hear, and speak like my teachers. 1037.

The Hebrew word 7580 is the word *shaag* it has 20 occurrence, and it means to 'Roar Mightily,' (modern); in Hosea 11:10 refers to; of ' (Yah like a lion) calling scattered Israel.' Also used in Amos 3:8

A Lion has roared, who will not fear the Lord, God has spoken who can not but prophesy 815

Remember Matthew 22:14 Many are called but few are chosen? I repeat what I say concerning the introduction of the internet, this was when all of what the Catholic Church had led the world into through lies was for the first time in history shown to everyone. 2429 It was the winner's who had written the history books, showing their conquered foe just who the champions of the spiritual war were. See in Hebrew 7580 the 'calling scattered Israel?" **4178** In simple terms this is saying that God allowed all of this to take place, He then called to scattered Israel with the internet! Those of scattered Israel that had seen all the these things they were unaware of concerning what Christianity is, turned on God leading others astray, instead of returning to the righteous paths. 7281 (see **entimes** YouTube) The follow is on the Amos 3:8 verse.

This is another formulated verse that speaks through God's Word, in the technique of the teachers and it has a proof or sign within it. In Greek 815 *ateknos* means 'Childless, it's from *a* (as a negative particle) and 5043 *teknon* which means 'Child.' Here, Timothy Cutler comes to my mind, and will help you see things clearer as to what this says. He was an Anglican clergyman in early America, he is known for saying, 'because of the Great Awakening, our presses are forever teeming with books and our women with bastards.'" 4683 (American Destiny Narrative of a Nation 4th edition)

Can you see how his comments about the presses teeming with books indicates what I have described, and what all I write is about? As far as the women with bastards, that's what all mankind is until born of the Spirit, and is what gave me insight to all I see, and verifies who I am by what I show. (**2688**)

Timothy Cutler was and still is telling everyone what has happened, but only in the language that most of the population of the world is oblivious to! He, in reality had become that which Psalms 82:6 tells everyone they are , and that is a 'god.' He, like all others before him and which continued to be after, are those that approached God a part from faith and weren't able to be patient and receive faith

from God needed to say plainly what was going on, he was then what Jordan Peterson is today! 4463.

My role and God given ability will be seen by everyone to be Job 33:14 interpreted.

For God may speak in one way, or in two, Yet man does not perceive it 658 (see Hebrew and Greek 658 as it signifies my completion of the process, and the resulting end of the needless bloodshed)

I know what I say and what Amos 3:8 says makes for unwilling listeners. In this modern world when it comes to even the possibility that what I say may be true it infuriates the hearer. Question 12 L; What differs in this instance than with anyone who has been chosen by God in the past? Did anyone ever get a pat-on-the-back for being raised up to tell the people that they were living outside the will of God? **(3844)**

The highlighted numbers above 2854, 2688, and 3844 are more examples of the Living Logos in Me! **(692)** and is something everyone has always needed. **(1104)** All updates to this writing I will make known in the future.

Chapter 7

Why Fight 5 Gigachads

This is the name a WiFi network of a neighbor near my ex-wife's home in Jackson County Kentucky. I'm thinking it's Mark and his wife who lives right behind her. I had talked to Mark probably around 2020, on the subject of Jesus and religion. I asked him what his thoughts were, and how he was taught growing up. I can't remember exactly what he said about going to church as he grew up, but he said he leaned toward science after growing up like his dad. I asked how he saw a Messiah coming into the world, he said like the first just born into the world. **4901**

His wife Emily works at the Jackson County Library in McKee Kentucky, and I have talked to her a bit about my book and suggested she read it. I once was talking about my book the lies and so forth, and she said words referring to what Dan Brown said, "when two cultures clash the loser is obliterated." **2780** (see 1 occurrence number **2015**)

If I'm correct that this is Mark's WiFi network, I thinking he's familiar with Gigachad, and possibly the study that goes with it. **1211** The following is on joke-battles.fandom.com in the Summary section.

Ernest Khalimov, also known as the Gigachad, is the perfect human specimen destined to "lead us against the reptilians" and is the God of all chads. He is the strongest character and sigma male to have possibly ever existed, with very few ever even rivaling him. Not even blatantly OP characters can beat the Gigachad, he is just this sexy and powerful. 3171.

Next, the following is in the Power and Stats section.

Name Facemogger, Gigachad, Ernest Khalimov, berlin.1969, Average Enjoyer, Sexiest Chad to Ever Live In the Universe, Greatest Sigma Male (Паб Кости Великого Харламова. 1097.

The first paragraphs reading's value above on this website is 3171. Next, the **Name**, is in the Power and Stats section, its value is 1097.

First, what is a male that's considered a Sigma? Sigma on Oxford Dictionary, the (symbol) 2. (σ) standard deviation. and ORIGIN Greek, is what describes the Sigma male. The word (deviation) On Oxford as a noun means 1. the action of departing from an established course or accepted standard: now the origin word (Greek) to give the best information on this is to see the Greek word 1675 for Hellenist. In the Thayer's Lexicon section it reads; "one who imitates the manners and customs or the worship of the Greeks and uses the Greek tongue; employed in the N. T. of Jews born in foreign lands and speaking Greek (Grecian Jews) the name adhered to them even after they had embraced Christianity Acts 6:1, where it is opposed to οἱ (G1445) Ἑβραῖοί, i.e. a Hebrew or Jew." 6552.

Now looking at the Summary number 3171, reread the paragraph and then see how the study of the number aligns with what is said. The Greek word 3171 is *megalós* meaning 'greatly, very much, and vehemently.' It's used 1 (once) in Philippians 4:10 (see this 1 use number 410 Hebrew and Greek) G3171 is from 3173 *megas* again in the Thayer's section at the bottom describes a Gigachad or Sigma male best, 'of things which overstep the province of a created being, proud (presumptuous) things, full of arrogance, derogatory to the majesty of God.' 4608 (see the Strong's value number in Hebrew 4608, which is 2011)

Now the **Name** section number 1097, the Greek word 1097 usage is 'I am taking in knowledge, come to know, learn: I ascertained, and realized.' Hebrew 1097 means 'A Wearing Out," some words seen in the NASB section are 'nothingness, unconcerned *unintentionally* unobserved *and unrestrained*. The words **unintentionally** and **unobserved** are words that need to be understood that describe especially scattered Israel. Born into the world that God's Word had always foretold would be, isn't looked at by me as something that should have been avoided, because all of this was unavoidable. **5182**

Since I began learning God had chosen me when He revealed Spirit in me, I've learned how to distinguish the tares or (teachers) from the wheat, some tares as good as straight up admit it. So the question asked here is 'Why Fight Gigachads?' The answer is simple, it's for the sake of the Truth first of all! Another answer as to why I fight is within the song 'Hall of Fame," by the Script. I do it for my people, I do it for my pride, I was never gonna know if I never even tried, I do it for my country, I do it for my name, because I know there's gonna be a day when I'm standing in the Hall of Fame!" The other reasons can be found in the numbers given in this Gigachad study. **5973**

This quote from Rambo will help all the Chads out there to understand the way they've been fighting against a Messiah has actually helped Me come into being, I Am is here. 1520. The Chads fighting the war, by God's design was never to be

won, but have opposite effect of what they desire, they have been lied to, just the same as the ones who they're lie to. 1604 (3124)

“ Who are they to protest me, huh? Who are they, unless they've been me and been there and know what the hell they're yelling about?” 1207.

This scene of the movie is a clip in the video The 80s: A Pop Culture Special.' Rambo finishes what is spoken at 24:12. Also the question “do you believe in Jesus?” is asked at 33:33.

Chapter 8

What doesn't kill you makes you more XP.

When Googled it's; Xeroderma pigmentosum (XP) is a hereditary condition characterized by extreme sun sensitivity, leading to a very high risk of skin cancer and other medical problems ... (the more important Google search is below.

Programming (XP) is an agile software development framework that aims to produce higher quality software and higher quality of life for the development team. 1545.

This describes the tares! When I was on my way to the library in London Kentucky Monday March 25, 2024, I saw this sticker on the back of a vehicle. I knew this was another sticker in the usual way mocking the unlearned people, those that had no idea what it means, and it wouldn't be a surprise if the driver himself had no idea, um could be? 3014.

It all depends on whether or not those seeing this sticker are 'Leps or not? Lep means 'limited English proficiency,' in the language. And simply put, this sticker describes the brotherhood of deviants ruling the unseen underworld that you live in. But that's about to change in it's predetermined due time! 2927.

Any updates will be posted on the site.
